

## Primary PE and Sport Premium 2019-20

The government have confirmed the PE and Sport Premium will continue to be paid to primary schools until 2020. In the academic year 2019/20, Sytchampton Primary School will receive approximately **£17,000** as part of this initiative. The Government emphasises that this funding should be used to make sustained improvement. Recent parent surveys ( Oct 2019) 100% agree with the varied breakfast and afterschool activities on offer and the rich curriculum provided by our small village school. Parents commented on **'lots of extra-curricular activities', 'good facilities inside and out' 'excellent holiday club provision'**. This funding is monitored by the Finance sub-committee.

There are 5 key indicators that schools should expect to see improvement across:

- the engagement of all pupils in regular physical activity - the Chief Medical Officer (CMO) guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school;
- the profile of PE and sport is raised across the school as a tool for whole-school improvement;
- increased confidence, knowledge and skills of all staff in teaching PE and sport;
- broader experience of a range of sports and activities offered to all pupils;
- increased participation in competitive sport.

Schools have the freedom to utilise the funding in a variety of ways. Our staff were consulted about PE teaching, they said that they would welcome support in delivering the PE curriculum and further enhance the provision and opportunities offered to our children.

Currently all pupils receive at least 2 hours PE in lesson time per week ; plus an additional 15mins at play in the morning and 45mins play at lunchtime. Pupils have peer massage time and are active within some lessons (15mins). Children are taught to swim from year 3 with **100% success by year 6**. New members of staff now have the confidence to deliver lunchtime and after school clubs and our offer this year has been enhanced by the employment of **an Apprentice** who focuses on P.E. and extra-curricular activities.

Governors on the Finance sub-committee monitor the PE Grant with the Business Manager and Headteacher at every meeting as a standing item.

At Sytchampton, as a result of this consultation and in line with the key indicators, Staff and Governors have selected to invest this funding in the following ways:

### Specialist Teaching:

Since Autumn 2017 a new PE coordinator has been encouraged to attend PE liaison meetings, and build upon her subject leader role through district training. She has attended meeting with the Droitwich Cluster and Worcestershire School Games co-ordinator. She has worked alongside all staff to support P.E. and in 2019-20 is mentoring our PE Apprentice.

We have gained the School Games Silver award following our application in the **summer term 2018 and again in summer 2019.**

Planning for all staff has also been enhanced by purchasing a scheme of PE planning, across all key stages : 'The Power of PE' and this has been very well received by all staff. Staff have also worked alongside coaches and enjoyed 'one off ' experiences such as : 'Tagtivate' and Olympic Gymnast visit and demo.

**Target 2017/18 : To train and develop a new member of staff to co-ordinate P.E. to evaluate new scheme of work and assessment for PE . ACHIEVED AND CO-ORDINATOR IN PLACE.**

**Target 2018 /19 : To release PE Coordinator to monitor PE lessons using scheme of work. Train and deliver to EYFS and KS1 from Autumn 2018.ONGOING**

**Target 2019/20: With the appointment of a PE Apprentice ( Sept 2019) to mentor and develop as our PE assistant across the whole school and for lunchtime and WAC.**

### 2 Sports Partnership:

The **Droitwich Cluster Sports Partnership** enables our pupils to experience competitive and non-competitive sporting activities in a varied range of sports. Our pupils have the opportunity to compete against local schools in regional competitions, which offers a valuable experience in participating in activities and environments that cannot be replicated in school. In many cases, these activities serve as excellent opportunities for our pupils to integrate with pupils from other settings whom will eventually become their peers at secondary school. These experiences show that with a targeted approach our pupils can raise their self-esteem, self-belief and interest in sporting activities which positively impacts upon their learning within school. We also compete with **local private schools** and have now developed links with primary schools in the area, now that we have a year 6 cohort. Our Year 4 pupils attend an outdoor and adventurous centre with Pyramid schools. Due to the withdrawal of the PE Link teacher in the Droitwich cluster ( 2019-20) – the PE co-coordinators are continuing with the programme and each one is leading agreed events. **Sytchampton have agreed to co-ordinate Yr 1 Gym festival and EYFS multi-skills.**

**Target 2017/18 : To further develop upper KS2 fixtures in a range of sports . FIXTURES ARRANGED WITH ST.PETERS AND KINGS HAWFORD, ST JOSEPHS..**

**TARGET 2018/19 : TO FURTHER DEVELOP KS 2 FIXTURES AND SELECTED SCHOOL GAMES – PLAN PE IN SCHOOL TO COMPLIMENT COMPETITIONS.**

**TARGET 2019 /20: School Pyramid co-ordinator has stepped down and school are organising competitions within the Pyramid. Sytchampton are to host KS1 Gym and EYFS multiskills events. Further House comps to be scheduled by pupils with appointment of House Sports Captains this year : first event linked with rugby World Cup.**

**Pictures show: Football skills and KS1 Gymnastics festival hosted at Sytchampton**

### **3. Sports Coaching:**

After-school clubs are offered to all pupils. These enable pupils to experience and enjoy various sports that they may otherwise not participate in. Pupils are enthusiastic regarding the opportunity to participate and effective relationships are developed between the pupils involved. We use a combination of specialist coaches and our own teachers and play supervisors. Over 3 years the take up and provision of active sessions has risen from 147 to 334 per year.

The increase in funding has enabled us to employ a PE apprentice to enhance our lunchtime offer. It has also supported holiday club provision for 2 weeks in the summer.

A Visit from **Olympic Gymnast** , Kristian Thomas, in Oct 2019 increased aspiration for gymnastics in school. The event raised funds for school and awareness of elite sport.

**Badminton coach** introduced for KS2 in Sept 2019 from Badminton England which has supported enthusiasm for this new sport and supported staff training. This also linked with after school club.

Tennis is also being offered from a local tennis club in the Spring term. Children in Need Joe Wickes 'Morning Move' participants.

**TARGET : REVIEW OTHER OPPORTUNITES FOR VISITS/VISITORS FOR SPORT**

**4. Lunchtime Active Play:** We have invested in equipment to improve physical activity at lunch and play times. One play supervisor is employed to organise games and activities and encourage all pupils to participate in physical activity and games. We have also improved part of the playground to create a safe ' all-weather' area for EYFS and KS1.

**TARGET 2017/18 : TO FURTHER DEVELOP THE RANGE OF SPORTS/ACTIVITIES ON OFFER AT LUNCHTIME AND AFTER SCHOOL – ACHIEVED FOOTBALL, TAG RUGBY, NETBALL, CHANGE 4 LIFE .**

**TARGET 2018/19 : RE-ORGANISED LUNCHTIMES TO STAGGERED TO ALLOW MORE SPACE FOR EACH KEY STAGE AND CONTINUE CLUBS. CONTINUE WITH STAFF CLUBS.**

**TARGET 2019/20 : STAGGERED LUNCHTIMES WORKING WELL – ADDITION OF THE APPRENTICE FOR GAMES HAS HELPED TO OFFER MORE TEAM ACTIVITIES AT LUNCHTIME.**
