

This term we will be learning about spring. We will look at what grows in spring and how the weather changes. The children will be looking for signs of spring all around us.

Our Author of the month will be Michael Rosen. Have you got any of his books at home?

British Values: This half term we will be learning about Democracy.

We are going to be learning about nutrition. Brambles will be planting their own vegetables. They will prepare the soil, plant the seeds, care for them and then bring some home to eat!

We will be learning about where different fruits and vegetables come from.

For Wellness this half term we will be focusing on self esteem and positivity.

In PE we will develop our ball skills through the topic of minibeasts. The children will develop fundamental ball skills such as; rolling and receiving a ball, throwing to a target, bouncing and catching, dribbling with feet and kicking a ball.

We're Going on a Bear Hunt

We will be going on our very own bear hunt! We will act out the story with our own musical instruments which we will have made.

We will be learning about the different types of bears there are in the world and where they live. The children will vote for their favourite bear and we will make comparisons between the country the bear is from and England.

Challenge: Can you find out 2 or 3 facts about the polar bear, giant panda or the spectacled bear?

In Art we will be exploring printing. We will print with a variety of mediums including our hands, fingers and natural resources.

We will use our new printing skills to make repeating patterns.
