Our Learning

Don't forget, that if you would like to know more about what your children are learning in school, all of our curriculum is available for you to peruse on our School Website Sytchampton Endowed Primary School - Curriculum

Over the past couple of weeks, Brambles have been busy planting and watering potatoes in their outdoor classroom. They have also been making the most of the improving weather, practicing their gross motor movements in preparation for writing, but 'painting' writing on the walls of the hall! The children have also thoroughly enjoyed practicing balancing during Welly Walk on the new slack line in the Forest School area.

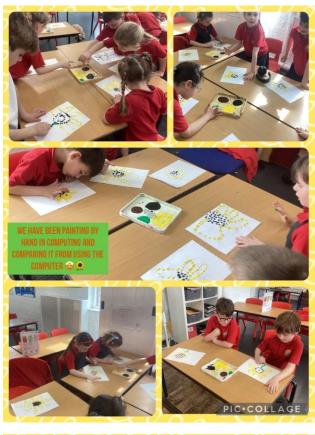

Oak Class have had a busy couple of weeks! In Computing lessons they have been comparing paint programs with painting effects in real life. In Geography, they have been learning all about the Countries of the UK and their capital cities.

Willow Class been learning phrases and vocabulary about food by singing a song!

In Science lessons, Elm Class have been learning about the parts of a plant and plant lifecycles. In RE they have been debating religious freedome and produced some incredible lyrics inspired by the Nina Simmone song 'I wish I could know what it means to be free.' They have also been writing detailed recounts in Literacy lessons.

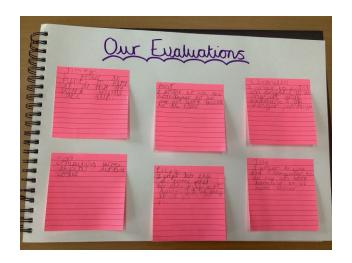

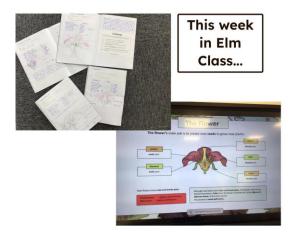

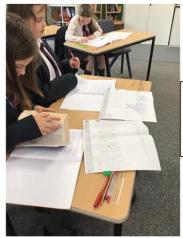

Writing recounts in English based on detailed plans...

Trips and Experiences

We may have only been back in school for two weeks, but it has been a busy time for our pupils!

Last week, as part of their new History Topic, Willow Class visited Tudor World in Stratford, where they learnt all about life in the Tudor Times as well as touring the town to learn about Shakespeare and his life there. We had some lovely feedback about how well behaved and engaged our children were from the organisers.

On Tuesday 16th April, our Wellbeing Champions visited our partner Care Home in Droitwich, Dorset House led by the wondereful Mrs Hothi! The children took games to play with the residents spreading lots of joy and laughter.

On Wednesday 17th April, it was the turn of Oak Class to have some adventures! They visited the stunning Bodenham Arboretum as part of their Science Topic. They learnt all about animals and their habitats, respecting our environment and practicing Forest School skills! Thankfully, the weather was kind so everyone had a lovely time and stayed dry!

Recruitment

The advert for Mrs Lawson's maternity cover closed on Monday and we have shortlisted 3 candidates for interview on Monday 22nd April. We are hopeful that we will secure a lovely teacher to step in whilst Mrs Lawson is off.

PE Challenge

Our PE challenges for this month are below! If you manage to do it, please do send us photographs on Seesaw! Miss Field would love to see them!

Portacabin Rebuild Project - Grand Opening

Thank you so much to everyone who contributed to our Grand Opening Event on 10th April. It was a really special afternoon, and had a wonderful community spirit! It is incredible what we can achieve when we all work together and we are delighted that the pupils in our school, both current and future, will have classrooms that are not only fit for purpose, but make wonderful learning environments.

We are also thrilled that the event featured on BBC Midlands Today and on the front page of the Worcester News! It was a fantastic PR opportunity for the school, which is crucial in securing pupil numbers for the school. School funding is all calculated on Census data from the previous year. Unfortunately our intake numbers for September 2024, are low at the moment. So if you do know of any families who are not happy with their Reception Placements for this year, then please encourage them to come and visit us.

Mrs Bishop and Mrs Richards would also like to say a huge thank you to the PTA, once again, for both their support and the beautiful bouquets of flowers, which were very unexpected, but very much appreciated!

The time lapse video of the build is now available for everyone to view on our School Website.

Now that the weather is starting to improve, we are liaising with our contractors to get the field reseeded. We have also been extremely fortunate that some of the Lloyds Educational Foundation have volunteered to begin clearing the growing garden for us so that we can begin to develop our new sensory garden at the back of the building. We have managed to secure a little grant funding for this area but will continue to look at fund raising opportunities to develop it further.

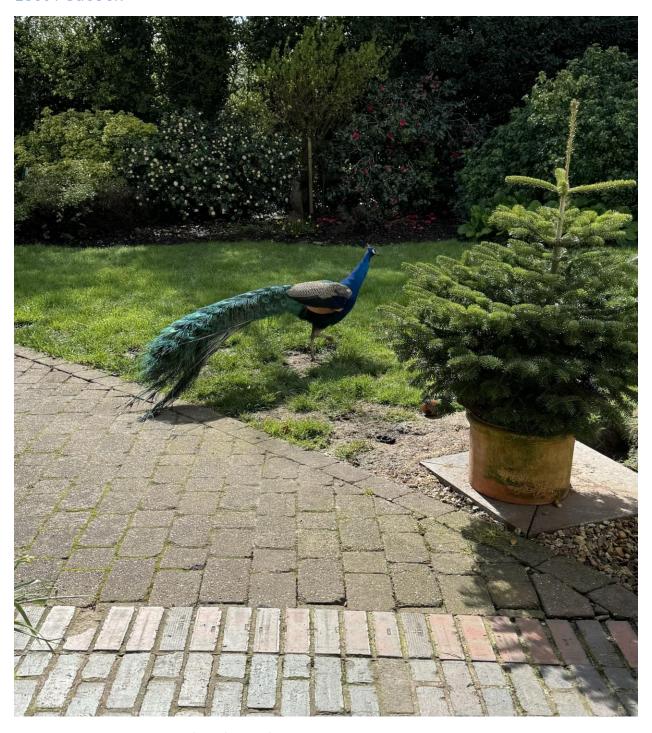

We would also like to say a big thank you to Simon Gibbs, who answered our call to put up the plaque for the Grand Opening! He did a fantastic job!

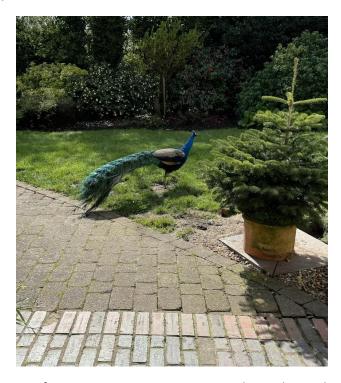

Lost Peacock

We have been asked by one of our former families to share this poster about their Peacock that has gone missing. Please contact the family direct if you have any information.

Missing Peacock

Our Peacock has been missing from Crossway Green since Saturday 30th March.

Please, if you see him call Sarah on 07540 418607 or Warwick on 07812 821991

Thank you
