28<sup>th</sup> February 2025

Dear Parents and Families,

It has been a good first week back at school after half term – there are definite signs that Spring is on the way.

### **Goodbye Mrs Robbins**

Today we say goodbye to Mrs Robbins who has done a fantastic job covering Mrs Lawson's maternity leave in Oak Class. We wish her lots of luck and happiness in her next adventures and thank her for all her hard work here at Sytchampton.

Mrs Lawson has been in school this week to meet the children before returning officially on Wednesday. In addition to her teaching in Oak Class she will be resuming her role as SENCo. Thank you to Mrs Oliver for all her work in covering this important job whilst Mrs Lawson was away.

### **World Book Day**

World Book Day this year is on Thursday 6<sup>th</sup> March. In school the children will be participating in creating a 'Play in a Day'. Children can dress up as their favourite book character – so start having a think about your costumes! There is no pressure to dress up in an expensive or fancy costume – anything the children feel comfortable in is fine, and, if children would prefer to simply wear their own clothes, they are very welcome to do so.

### **British Science Week**

There is lots of exciting learning planned for science week, including visits from some local scientists. Children in Key Stage 2 have had some activities sent home and there are a small number of resource packs available in the office if you need any additional materials to carry them out.

At the end of science week there will be a special assembly on Friday 14<sup>th</sup> March, where children will share their work in our 'Science Exhibition'.

**Diary Dates (these will be added to over time)**

Thursday 6 <sup>th</sup> March	World Book Day
Monday 10 <sup>th</sup> – Friday 14 <sup>th</sup> March	National Science Week
Tuesday 11 <sup>th</sup> March	Brambles and Oak visit to Bishops Wood

## Support for Parents, Children and Families

We regularly get sent links to organisations that offer help to parents, children and families going through difficult times. We thought it would be helpful to add these at the bottom of the newsletter each week, in case there is anything you would like to find out more about. As always, please do make an appointment at the office if there is any way we can help. We will keep this list updated with services that get in contact with the school.
