

We are situated on the A449 between Worcester and Kidderminster. There is ample parking at the local community centre accessed down Cow Lane which ensures that pupils have safe access to the school.

The school is a village First school and is part of the Droitwich pyramid. Pupils progress to middle schools in Droitwich or the primary system in Stourport or Worcester.

Wrap around care is also provided before and after school through PALs, who also run holiday clubs.

Sytchampton belongs to the Lloyd's Educational Foundation (a charitable trust) which means that the building and grounds are owned by The Lloyds Educational Foundation and is therefore classed as a voluntary aided school.

This is an outstanding school that provides very good value for money. Pupils receive an extremely rich curriculum, excellent teaching and very high quality care, support and guidance." Ofsted

READY

At Sytchampton Endowed First School children are **READY** to learn through:

- A rich curriculum which brings learning alive.
- Memorable experiences.
- A emphasis on each individual child and their natural curiosity.
- Building skills for future learners.
- Celebration of achievement and also respect a for each other and their community.

STEADY

STEADY means that our school is :

- Caring, happy and supportive with a committed, friendly and professional staff.
- A school community and Governing Body working together to provide each child with the very best start to his or her education.
- A safe and secure and exciting environment- indoors and outdoors.
- A true sense of team work and partnership with a pro-active PTA and support.

GROW

Children **GROW** and show us:

- Confidence both socially and achieve high academic standards.
- 100% achieving Level 2 at the end of Year2.
- Develop life longing learning skills.
- Outstanding reading with over 50% exceeding national expectations in year 4.
- Respect for each other and the environment through School council, ECO schools and working with other Schools.

We warmly invite you to join us
