

This term we will be learning about spring. We will look at what grows in spring and how the weather changes. The children will be looking for signs of spring all around us.

British Values: This half term we will be learning about Democracy.

Our Author of the month will be Michael Rosen. Have you got any of his books at home?

We're Going on a Bear Hunt / Dinosaurs

In PE we will be doing gymnastics. The children will explore creating shapes, balances and jumps and begin to develop rocking and rolling.

We will be learning about the different types of bears there are in the world and where they live. The children will vote for their favourite bear and we will make comparisons between the country that bear is from and England.

We will be going on our very own bear hunt! We will act out the story with our own musical instruments which we will have made.

Challenge: Can you find out 2 or 3 facts about the polar bear, giant panda, sun bear or the spectacled bear?

For Wellness this half term we will be focusing on relaxation and happiness.

We will be looking at which dinosaurs were Carnivores, Herbivores or Omnivores

Challenge: Can you find out what a paleontologist does?

We are going to be learning about nutrition. Brambles will be planting their own vegetables. They will prepare the soil, plant the seeds, care for them and then bring some home to eat!
We will be learning about where different fruits and vegetables come from.

We're Going on a Bear Hunt / Dinosaurs

In Art we will be exploring printing. We will print with a variety of mediums including our hands, fingers and natural resources.

We will also be getting crafty, we will be developing our cutting, threading, joining and folding skills through fun creative craft projects.

We will be learning about fossils. Fossils are the remains or traces of animals or plants that were once alive.
