Child/Staff Member presents with Symptoms (or positive Lateral Flow Test):

- a high temperature
- a new, continuous cough
- a loss or change to your sense of smell or taste
- Child/Staff member to isolate
- Book a PCR test
- https://www.gov.uk/getcoronavirus-test

Positive_PCR Test

- Child/Staff Member Selfisolates: includes the day symptoms started (or the day they had the test, if they did not have symptoms) and the next 10 full days (11 days in total)
- Self-isolate for longer if they get symptoms while selfisolating or symptoms do not go away

https://www.nhs.uk/conditions/coronavirus-covid-19/self-isolation-and-treatment/how-long-to-self-isolate/

School will provide remote education in line with the Continuity of Education Policy (only if the pupil is well enough).

http://www.sytchampton.worcs. sch.uk/web/covid-19 response and home learnin g/552505

Absence will be recorded as Code X02 until the positive test. Absence will be recorded as Code I02 once a positive result has been received.

Household members do NOT need to isolate (other children in the family should attend school) if any of the following apply:

- They are fully vaccinated – this means 14 days have passed since the final dose of a COVID-19 vaccine given by the NHS
- They are under 18 years 6 months old
- They are taking part or have taken part in a COVID-19 vaccine trial
- They are not able to get vaccinated for medical_reasons

If a parent keeps a child/sibling off school who is **not** symptomatic the absence will be unauthorised.

Close Contacts of Positive Cases

- NHS Test and Trace should contact you to inform you if your child has been a close contact.
- School will also inform the bubble/class of positive cases (no names will be shared)
- See Close Contacts
 Flow Chart

Child/Staff Member May return to school provided they feel well and have no symptoms.

Email confirmation of Negative Test to office@sytchampton.worcs.sch. uk

If child is still unwell remain at home and record the absence as Code IO1
