Statement of intent

Sytchampton Endowed Primary School is a vibrant, enthusiastic, forward-thinking and safe learning environment in which pupils are given every opportunity to complete a fulfilling education.

We believe that homework plays an important part in education and the benefit of doing homework must be instilled at an early age so that independent study can be achieved.

We are also aware that pupils have opportunities and experiences outside of school that are equally important in developing and enriching their lives. We will give careful consideration to ensuring homework is well-balanced across the school.

This policy was developed in consultation with staff members, parents and pupils, and with the full agreement of the governing board.

- Embed knowledge and support pupils' learning experiences via revision and reinforcement.
- Work with parents and involve them in their child's learning, and to keep them informed about the work their child is undertaking.

3. The school's approach to homework

The school understands that setting, marking and providing feedback on homework is a large contributor to the workload of teachers; therefore, teachers will ensure that homework is only set to positively impact pupils' progress.

Prior to homework being set, teachers will ask themselves, 'Why am I setting this homework?' and 'How will this homework be useful to the pupil?' If the answers to these questions do not reflect a positive impact on pupils' learning, teachers will use their professional judgement and decide whether the homework is necessary.

Homework will be set and notified on Dojo, reducing printing costs and the number of lost homework sheets.

Every year, each year group will be informed of what is expected of them with regards to homework.

Every half term, class teachers will inform parents about the main topics and units of work being covered. Parents and pupils will be notified of this on Dojo.

Pupils will receive homework on a weekly basis which will be returned at the time and date as specified by the class teacher.

Pupils' weekly homework activity will be designed to take approximately 45 minutes – 2 hours, depending on the age of the pupil.

If feedback is required, this will be provided by class teachers directly to the child or on Class Dojo.

Parents will be encouraged to discuss any errors with their child. If they have any queries, they should speak to the class teacher or message through the school office. If difficulties are ongoing, parents can make an appointment to see their class teacher.

The amount of homework set for pupils will increase as they progress through their education.

Teachers will occasionally set extra homework for the whole class if they deem it beneficial.

The table below shows expected homework. Tasks may be set in addition to the below activities.

4. Absences

If a pupil is absent from school due to illness or medical reasons, the school will not supply work for these periods – pupils should be well enough to undertake any work supplied.

There may be exceptions to the above and the classroom teacher will decide whether homework should be set on a case-by-case basis.

If a pupil is absent for a long period of time, the teacher and the parents of the pupil will agree on what should be done and how much help should be provided.

Absences when homework is set and due will be managed in line with the school's Attendance and Absence Policy.

5. Pupils who fail to complete homework

All pupils will be expected to complete homework on time.

Teachers will keep records of pupils completing homework which are regularly checked.

Teachers will make efforts to support pupils who are struggling to complete homework and will raise any concerns regarding their pupils' ability to complete homework to the headteacher and/or parents as appropriate.

If pupils fail to complete homework, teachers will speak to parents in the first instance. If pupils persistently fail to complete homework, then they will be given an opportunity to complete their work during the school day (this will be during break times and lunchtimes).

Pupils who refuse to complete homework will be disciplined in line with the Behaviour Policy.

6. Marking homework

Homework will be marked in accordance with the school's Marking and Feedback Policy.

Foundation subject projects will be marked orally with the pupil or class.

7. Pupils with SEND

A balanced approach to homework will be adopted for pupils with SEND, in consultation with the pupil's parents and the SENCO.

Where appropriate, the school will set adjusted or specific tasks for pupils with SEND as outlined in their individual education plans.

While pupils with SEND may benefit from differentiated tasks separate from the homework received by other pupils, they will also complete as much standard homework as possible.

Pupils with SEND will be supported in accordance with the school's SEND Policy.

8. Equal opportunities

The school will ensure that it provides the full range of opportunities for all pupils, regardless of gender, sex, disability, sexual orientation, ethnicity and social, cultural or religious background.

All pupils will have equal access and inclusive rights to the curriculum regardless of their gender, race, disability or ability.

9. Monitoring and review

This policy is reviewed annually by the headteacher.

Any updates to this policy will be shared with parents, pupils and staff.
